- You must pay your entire filing fee before you make any more payments or transfer any more property to an attorney, bankruptcy petition preparer, or anyone else for services in connection with your bankruptcy case.
- You must pay the entire fee no later than 120 days after you first file for bankruptcy, unless the court later extends your deadline. Your debts will not be discharged until your entire fee is paid.
- If you do not make any payment when it is due, your bankruptcy case may be dismissed, and your rights in other bankruptcy proceedings may be affected.
